

Career Academy of Real Estate
And
Dauphin Realty
PRE-LICENSE COURSE

Our pre-license course is 15 weeks with a total of 60 hours. This meets the requirements of the Alabama Real Estate Commission. Career Academy of Real Estate school is approved by the Alabama Real Estate Commission and Department of Education.

Our locations are at Dauphin Realty, 6207 Cottage Hill Road (Lloyd Place) which is just east of the Hillcrest Cottage Hill intersection, Dauphin Street just east of Florida St and Section St in Fairhope north of downtown Fairhope. Call Dana 479-1314 for current class schedule

The cost of the course is 349.00 which includes your text book. The course is “live” web-conferencing on Tuesday and Thursday evening from 6 to 8 p.m. There is also someone, present to answer questions and help the students with anything they may not understand or need additional help in. Our course is designed specifically to prepare students to take and pass the real estate exam.

Test dates are Monday through Friday, morning or afternoon testing on computer. The testing center is at the Income Tax office at Cottage Hill and Azalea Road. The testing fee is \$69.00. Visit www.GoAmp.com for more information

Our classes number from 1 to 5 students at any given time. It is a nice relaxing way to take the course. Students can also schedule with me to make up a class if they must miss a class. This is especially nice for the students since it is required by the Alabama Real Estate Commission that each student be present for 90% of the required class room hours before being eligible to sit for the exam.

Our course is continuous, so that a student may begin at any time.

We also offer the real estate course by computer or on-line. The cost of the computer/on-line course is \$349.00 which also includes the cram session. This allows you to take the course at home at your own pace and your own convenience. The law states that you can complete the course in as quickly as 11 days from the time you start, however, you do may take as long as six months to complete.

If you decide to enroll in the course, you will need to call in advance if possible to let me know you intend to be present. If there are any questions about the course or the Real Estate business in general, please don't hesitate to give me a call.
